KEITH CREAGH
DIRECTOR

SUBMITTED: December 17, 2012

MEMORANDUM TO THE DIRECTOR

Information: Natural Resources Commission

Subject: Order Regarding Firearms in Grand Mere State Park and South Fox Island,
Berrien and Leelanau Counties
Land Use Order of the Director Amendment No. 07 of 2013
FOR INFORMATION ONLY

Authority:

The Natural Resources and Environmental Protection Act, 1994 PA 451, as amended, authorizes the Director to issue orders to implement land use rules.

Discussion and Background:

The purpose of this order is to:

- Bring the present orders governing firearm use in Grand Mere State Park and South Fox Island into conformance with state statute.

With the passage of Public Acts 129 and 130 of 2003 by the Governor, it is legal to carry concealed weapons in Michigan's state parks and recreation areas. The Department of Natural Resources cannot prohibit an individual who possesses a license to carry a loaded firearm or who is exempt by law from licensure and any other rule restricting the possession of firearms, whether concealed or otherwise, on land under the control of the DNR. This repeal of language in the Land Use Orders of the Director brings the Orders in compliance with statute.

This firearm stipulation only affects Grand Mere State Park and South Fox Island's lighthouse complex, due to the stipulations laid out by the Nature Conservancy when the property was bought and transferred to the Department of Natural Resources in 1986. All the other state parks and recreation area's firearm and hunting provisions are governed by the Wildlife Conservation Order.

The amended Land Use Order has been reviewed and approved by the Michigan State Park Advisory Committee by resolution 12-2012-03 at their December 13, 2012 meeting.
